Posted in group: **town-of-Ulysses**

Hello Ulysses,

A few updates for you...

#### **Fragrance Sensitivity Zone at the Town Hall**

You may have noticed the signs on our door- some of us at the Town Hall experience unpleasant physical sensations (like sore throats and headaches) to perfumes and fragrances. We thank you in advance for your understanding on this.

#### **That Map in the Newsletter**

We've had a few questions about the color coding on the map on page 2 of the newsletter that was recently mailed out. The map is the Future Land Use map of the Comprehensive Plan. Link to the full map here on our website along with a key.

#### **The Town's Code**

The town recently completed a codification project. Working with General Code, town laws and ordinances were scoured for duplication and legality. The final product, known as the Town of Ulysses Code, is now on our website. It is an easily searchable listing of all the town laws in their entirety. Enjoy!

#### **Continuation of the Public hearing for the proposed Sciencenter Solar Project on Agard Road**

Will take place on 7pm on Feb. 16. Find out more about this here.

#### **Town Newsletter is now available!**

If you didn't get one in the mail, view it here.

#### **Town Board meeting**

The Town Board will hold its regular meeting on Tuesday, Feb. 9 at 7pm. The agenda is posted on-line here, and at the Town Hall.

Did you miss the last meeting? Catch up by reading the minutes here.

### **Save the date: Zoning Updates meeting**

Mark your calendar and stay tuned for more information on a public meeting on zoning updates to be held on Saturday, February 27 at 9:30am in the Trumansburg Fire Hall.

### **Tompkins County Housing Survey**

Tompkins County is seeking public input on housing. An on-line housing survey is available at <http://e-input.com/surveys/tompkins.htm> to provide residents with the opportunity to provide direct input about their housing needs, experiences, and preferences. The survey will be open through Monday, February 22, 2016.
