ZONING UPDATE MEETING- FOCUSING ON JACKSONVILLE

Town of Ulysses Jacksonville Zoning Session

When: Monday, June 6, 2016, 7:00-9:00 pm

Doors open and pizza served starting at 6:30 pm

Location: Jacksonville Methodist Church Fellowship Hall, 1871 Trumansburg Rd, Jacksonville

Jacksonville residents and neighbors are invited to this public meeting. The meeting will provide a brief overview of the zoning update project and the current zoning in Jacksonville. Discussion topics will include growth and density, design standards, geographic limits of the hamlet, and important aspects of current regulations to keep or change.

In 2009, the Town of Ulysses updated its Comprehensive Plan that includes the Town vision to preserve, protect, and "support agricultural sustainability, open space conservation, a balanced approach to economic development, and revitalization of village and hamlet centers." The Comprehensive Plan recommendations for the Jacksonville hamlet include residential and mixed-use buildings, community facilities and social institutions, and parks/open space. New development should consider pedestrian uses, and design standards should be incorporated so that the historic character and scale of Jacksonville continues.

We hope to see you there and hear from you on this important topic to guide future land use development in the Jacksonville area.

PLANNING BOARD SEEKS NEW MEMBER-

The position of Alternate is available on the Planning Board. Meetings occur once/month on the 1st Tuesday at 7pm. Alternates must attend each meeting, but only vote when another member is absent. This is a great opportunity to "get your feet wet". Applications are available here: <http://www.ulysses.ny.us/pdf/BZA-PB-application-Ulysses-fillablepdf.pdf>.

Contact Darby Kiley at 607-387-9778 ext. 222 or e-mail Kiley@ulysses.ny.us with any questions.

IS YOUR POOL UP TO CODE?

Tom Myers, Code Enforcement Officer, sends the following update:

Now that the outdoor temperatures are finally starting to warm up, there are some maintenance matters that are important to address. Some folks in the Town have pools, in ground and above ground. It is time to take a look at them to make certain all guards and alarms are in place and functional. It is also important to look at the water and see what condition it is in. If pool water is left untreated it becomes stagnant and creates

ideal conditions for breeding mosquitoes. The NYS Property Maintenance Code states:

SECTION 303 SWIMMING POOLS, SPAS AND HOT TUBS

303.1 Swimming pools. Swimming pools shall be maintained in a clean and sanitary condition, and in good repair.

Please take the time to evaluate the condition of your pool, its equipment, guards, alarms and water. Doing this now will help allow you to have a wonderful summer.

If you have any questions, please contact Tom at (607)387-9778, ext. 231, or e-mail code@ulysses.ny.us
