Posted in group: **town-of-Ulysses**

Hello Ulyssians,

Read on for local/state government updates...

FIRE INSPECTOR needed :

The town is seeking candidates for the position of part-time Fire Inspector. The position is available on the Tompkins County website at <https://www.tompkinscivilservice.org/civilservice/post/2409> and you must apply through that website here: <https://www.tompkinscivilservice.org/civilservice/vacancies>. The deadline is **August 12**. Please help spread the word!

If you have questions, please contact Ulysses Code/Building Enforcement Officer, Tom Myers at code@ulysses.ny.us or 387-9778 ext. 231.

GOING SOLAR:

The NYS Attorney General's office has released a publication for homeowners on solar energy. View the guide here: https://ag.ny.gov/sites/default/files/solar_tips_0.pdf

DONATE EXTRA PRODUCE:

A resident has agreed to serve as a local food hub. She will collect and donate local produce to needy families. If you have extra produce (fruit, vegetables and eggs) from your garden or CSA share, please drop it off in the cooler at 94 W. Main Street on Mondays, from 9am-8pm from July 1-October 1st for distribution. Visit <http://friendshipdonations.org/hubs/> for more information.

UPCOMING ROADWORK:

The Ulysses Highway Department will be laying oil and stone on a number of town roads in late July and early August. Crews will be out on the lower part of Agard Rd., Houghton Rd., Garrett Rd., Wilkins Rd., Vanliew Rd., part of Colegrove Rd., and part of Curry Rd. For more information, contact the highway department at 387-6239.

INVASIVE SPECIES WATCH:

iMapInvasives (<http://www.nyimapinvasives.org/>) is an online mapping system used to report and share invasive species information for New York, managed by the New York Natural Heritage Program. Reports and photos entered into iMapInvasives (online or via smartphone) alert state authorities to follow up for verification and increase the impact of this dataset for land managers, scientists, and policy makers.

Anyone can request an account to iMapInvasives at www.nyimapinvasives.org/request-login.

Review a list of invasive species you might see while in NY streams here: <http://on.ny.gov/29239ue>.

Early detection is our best defense against new invaders becoming established, and citizen scientists like you can help!

DROUGHT WATCH ISSUED FOR NEW YORK:

DEC Commissioner Basil Seggos has issued a drought watch as of July 15 for the entire state of New York following consultation with the State Drought Management Task Force and Federal partner agencies.

There are no statewide mandatory water use restrictions in place under a drought watch. However, local

public water suppliers may require such measures depending upon local needs and conditions. DEC encourages residents throughout the state to conserve water whenever possible. Visit DEC's Saving Water Makes Good Sense webpage for conservation tips that homeowners can take to voluntarily reduce their water usage.

UPCOMING TOWN MEETINGS: (All are open to the public and meet at the Town Hall)
