Re:
Petition calling for a permissive referendum on the resolution #125 of 2023, adopted June 27, 2023, authorizing the Town Supervisor to sign a purchase contract for up to 30 acres of property located at 2141 Kraft Road in the Town of Ulysses, NY.

In accordance with the Consolidated Laws of New York, Chapter 62 (Town), Article 7 (Permissive Referendum), Section 91 (Referendum on Petition), Concerned Ulysses Taxpayers and Voters (CUTV) hereby submit to the Clerk of the Town of Ulysses, NY, a single volume of 78 numbered petition sheets containing 302 signatures of individuals registered to vote in the Town of Ulysses, NY, properly witnessed by other individuals registered to vote in the Town of Ulysses, NY.

According to Town Law Section 91, the number of signatures required is "at least five per centum of the total vote cast for governor in said town at the last general election held for the election of state officers." There being 2,659 votes cast for governor in the Town of Ulysses in the 2022 election, and 5% of 2,659 being 133, this petition is well in excess of the minimum number of signatures required.

We therefore request that a proposition for the approval or disapproval of Resolution #125 of 2023 shall be submitted by the Town of Ulysses as a Permissive Referendum at the first town election within the time constraints specified by law.

Nancy Cusumano for CUTV
