

## PROPOSED EDITS TO THE COMP PLAN DRAFT

By Liz Weatherby, 6/9/26

1. Resolved, delete on page 41 “Land use influences the Town’s zoning” from callout
2. Resolved, delete on page 43 “There is one remaining dairy farm in the western...”
3. Resolved, add on page 43, first paragraph “vineyards”.
4. Resolved, page 44 – remove the bold from second paragraph “The Plan recognized that...” and add emphasis to end of first paragraph started at “The goals of the Agricultural and Farmland Protection Plan...”
5. Resolved, page 141, delete first two paragraphs.
6. Resolved, pages 143-147 fix headers under Section II
7. Resolved, pages 144 delete “Goals and Relevant Projects”
8. Resolved, pages 144-145 delete remaining paragraphs of NYS policies with the exception of the first paragraph and keep figure.
9. Resolved, page 147, add reference to public survey in Appendix B.2 to end of first paragraph.
10. Resolved, page 149, delete image and replace “Certainly though” with “Despite limitations” (or similar).
11. Resolved, page 150, delete second paragraph and chart as not specific to Town of Ulysses.
12. Resolved, page 151, add “lack of” ahead of transportation system.
13. Resolved, page 151, in second paragraph, clarify that Town and County split road jurisdictions.
14. Discuss page 153 last paragraph – is it a true concern/issue in the Town?

15. Resolved, page 156, please add the source of data for Figure T-6.
16. Resolved, page 160, delete “must” from first line of paragraph.
17. Discuss page 166, second paragraph “Finally, the Town should be commended for having no minimum...”
18. Discuss page 176-177.
19. Resolved, page 197, update language on wetlands to reflect annulment and delete at-a-glance.
20. Expand discussion on soils, especially related to prime farmland and farmland of statewide importance.
21. Resolved, page 201, in the first paragraph, replace “some” with “many” relative to steep slopes.
22. Resolved, page 202, split second paragraph into two paragraphs at “The Town can also consider”
23. Resolved, page 203, replace “coast” with “shoreline in last sentence on page.
24. Resolved, page 204, update language to reflect the IB and NLEB are federal-listed endangered and TCB and monarch butterfly are proposed listed.
25. Resolved, page 204, under Section B. include invasive species as a challenge.
26. Resolved, page 205, add introductory language under Heading C.
27. Resolved, page 205, move the figure under Section B and ahead of Section C.
